

Auto Hit Ltd is a trading company for import and distribution of auto parts, distinguished by its professionalism, good organization and vast range of offered products and services.

Established in 2002, the company has been developing intensively and has won the trust both of world-famous manufacturers and distributors of auto parts, and of the customers in Bulgaria, becoming one of the leaders on the market.

The company has a central warehouse in Ruse and 20 branches in 14 of the major towns in the country – Sofia, Plovdiv, Varna, Burgas, Stara Zagora, Pleven, Shumen, Dobrich, Veliko Tarnovo, Blagoevgrad, Sliven, Vratza, Haskovo and Gabrovo. The company is planning expanding of its coverage by opening branches in the rest of the major Bulgarian towns, as the information about this will be promptly shared on the web site.

Our main rule while working with our over 3 000 customers across Bulgaria is propriety, high quality and maximum speed of service, provided by well-trained personnel.

As a result of the hard work during the years and the achieved success, Auto Hit Ltd is accepted as a member of Auto Distribution International (ADI) – a leading distribution network in the auto parts business. The fact itself is a real appreciation for the company and a precondition for its further growth to a higher level of service.
